5314.

F. An individual who is 65 years of age or older and is a member of PHBA's Professional Horsemen, or other PHBA recognized breed association profession horseman program/s, is eligible to immediately apply for amateur membership so long as s/he meets all other amateur eligibility requirements and relinquishes any and all Professional Horsemen membership/s.

Originator's justification for change and impact if not passed: (Proposal will be return if not completed)

Our membership is getting older and we don't want any of them to feel there is no place to go and leave our numbers. For those individuals who are 65 or older and aren't continuing their professional status let us welcome them now and not wait for the 3 or 5 year waiting period to make them eligible. I believe we need to get in line with the other associations we recognize so we are on the same page when it comes to amateur eligibility.
