Omit EXCEPTION: PHBA World Championship Show.

2) horses which are competing in a performance class at the same show may also be shown in performance halter. Horses must be ridden or driven at that show. Walk-Trot classes, Showmanship at Halter and/or Western Parade do not count as an eligible performance class.

EXCEPTION: PHBA World Championship Show).

Allow all horses competing in a riding performance class to compete in Performance Halter similar to the rules of AQHA.

"entries into a performance halter class must either abide by performance halter eligibility rules (SHW365.3) or compete in a riding or driving performance class under the same show number. Performance classes held at the same event but under a different show number do not meet this requirement and will result in disqualification. Walk/trot classes and showmanship also do not count as an eligible performance class."

In many areas of the country a performance ROM is not feasible because of the lack of shows or classes so small that points cannot be obtained. This would be beneficial to PHBA by allowing for larger Performance Halter classes in Open, Non Pro and Youth at the World Show.

Some committees may be asked to review a proposed rule change and report their recommendations to another committee that ultimately reports to the Board of Directors. Committee Chairs will need to coordinate that input. Committees are free to discuss other proposed rule changes but the assigned committee's recommendation is that which will be used during voting at the Board of Directors Meeting.
