3. Is this proposal changing a rule that was implemented within the last two years? Yes No

(Refer to PHBA Rule #33, Page 22)

4. Explain why this rule change is needed: (Use attachments if needed)

Add Walk-Trot Ranch Classes (all with same rules listed)

WALK-TROT RANCH RAIL PLEASURE/RANCH TRAIL/RANCH RIDING

1. Except as noted below, general ranch rail pleasure rules apply (except that the exhibitors will not be asked to lope but may be asked to extend the trot).

2. If the horse breaks into a lope for more than three consecutive strides, it shall be disqualified.

The Ranch classes are growing by leaps and bounds across the country. Walk-trotters only have a few classes that they can show in at a show. This would add additional class to help encourage participation in that division.

- Define the problem and develop as many positive solutions as you can.
- Determine if any other rules would be affected if your proposal were to be adopted, and specify the rule numbers.
- Submit proper wording for a proposed rule change by typing or neatly printing the exact wording being proposed. If you propose changes to existing language, ~~strike through~~ the words you propose to delete. Type in ***bold and italics*** the words you propose to add.
- Determine the financial impact (both income and expense) your proposal could have on PHBA.

The PHBA President will assign proposed rule changes to specific committees for their recommendations. Some committees may be asked to review a proposed rule change and report their recommendations to another committee that ultimately reports to the Board of Directors. Committee Chairs will need to coordinate that input. Committees are free to discuss other proposed rule changes but the assigned committee's recommendation is that which will be used during voting at the Board of Directors Meeting.
