Originator's Recommendation for Change: (Rule should be written as it should appear in the Rule Book)

3152 A class of two or less should be consolidated when possible  
A. A class of two or less Palomino Bred entries shall be  
consolidated when possible,  
1. When not possible should be consolidated  
with respective PHBA class  
2. Points earned credited towards respective  
program

Originator's Justification for change and impact if not passed: (Proposal will be returned if not completed)

We are losing membership opportunities as Palomino Bred entries  
attend our shows only to find a lack of available classes for them  
The cliché "All dressed up and nowhere to go" could apply. The  
exhibitor buys/breeds a PB horse - registers it, trains  
it, hauls to a show, rents a stall and no class. They do not return.  
I feel this rule change will enhance the marketability of  
the PB program and assist classes with dwindling numbers  
It would result in increased participation at both the  
APA and PHBA level both in growth and stability
