Proposed new rule number _____

Originator's recommendation for change: (Rule should be written as it should appear in the Rule Book)

To be eligible to compete in the performance halter class, a Register of Merit in performance must be earned and recorded on the horse's record. Register of Merits in Showmanship at Halter, Longe Line and/or Western Parade will not apply in any division. Proof of Register of Merit must be provided to show management.

Originator's justification for change and impact if not passed: (Proposal will be return if not completed)
Adding the Longe Line to the exemptions would eliminate the for real Halter horses that do not show in any performance under saddle classes from taking away from the real performance horses that do show in performance under saddle classes, which is the point for the performance halter class. Just because a horse can go around in a circle very nicely does not make that horse a performance horse. I have had halter horses in the past and I could make them go on a longe line very well and move pretty good but that does not mean they will be a good performance under saddle horse.
