Originators recommendation for change (Rule should be written as it should appear in the Rule Book)

Rule 3385 Longe Line

A. Yearlings. This class will be approved on or after May 1 through December 31

Rule 3384 Approved Classes

Yearling Longe Line (May 1 – December 31)

Originator's justification for change or impact if not passed (Proposal will be returned if not completed). This rule was submitted last year (Convention 2019) and was passed by the committee and again at the annual meeting of the national directors. However, it appears that the rule was changed back to the original writing so that these classes would not be approved until June 1 of each show year. This rule should remain as passed by the national directors and therefore this rule proposal is for purposes of putting this rule back in front of the national directors to affirm the vote of March 2019 to reflect the change to this rule as set forth in this rule proposal. It is worth noting that shows which took place prior to June of each year in the past have been given waivers to hold this class so it is unclear as to why this rule was changed by the EB without re-presentation to the national directors.
