Recommendation for change-

Amateur Walk Trot Program

5111. Stallions may not be exhibited in Amateur Walk Trot classes.

Justification for change-

The intent for this division is to allow beginner riders who have not mastered loping, or for those who can't lope, for whatever reason, to have a class they can show in safely. This is one of the fastest growing amateur division we are experiencing. Under the Novice Amateur Division, Rule #5012 stallions may not be shown in the novice amateur program either. For the safety of horse and a walk trot rider, stallions should not be allowed in the walk trot division either.
