# Help Us Finish The Drive!

---

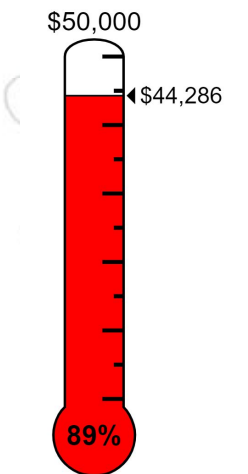

---

We Are Almost There!

---

---

The Palomino Horse Breeders of America needs our help to finish the original drive – the Capital Campaign – to fund our New Computer System and update equipment for the office to better serve all the Members!

We have done a great job so far in fundraising, but we are still just a bit short of the original goal of \$50,000 set by the EB to upgrade the current system, that dinosaur known as the AS-400.

Will you please help? The future of OUR association depends on you!

To donate, please see:  
Tom Craun, Helen Fleming-  
Bryson, Alda Buresh,  
Terry Goble, Dave Remus  
or Mimsi Roe Coon
