Rule # 3600 (2024 Handbook) Page # 127 (2024 Handbook)

2. Proposed Effective Date:

- ☐ January 1, 2024 ☒ Other January 1, 2025

3. Is this proposal changing a rule that was implemented within the last two year? ☐ YES ☒ NO
(Refer to PHBA Rule #33, Page 22)

4. Explain why this rule change is needed: (Use attachments if needed)

Please implement a 2 year old in hand trail class at the PHBA World Show. Two year old horses should be able to have non-riding performance classes, especially if they are in skeletal developmental phases.

The handbook states that yearlings can compete. However, there is no yearling in hand trail class at the World Show. Please add either both a yearling and 2 year old in hand trail class. Alternatively, please combine both yearlings and 2 year olds to be able to show in one class at the World Show.

Additionally, other breed organizations such as APHA and PtHA have 2 year old in hand trail classes. It would alter my decision as well as others as to which World Show to choose to attend, as they are all in close proximity time wise.

Thank you for your consideration.

The PHBA President will assign proposed rule changes to specific committees for their recommendations. Some committees may be asked to review a proposed rule change and report their recommendations to another committee that ultimately reports to the Board of Directors. Committee Chairs will need to coordinate that input. Committees are free to discuss other proposed rule changes but the assigned committee's recommendation is that which will be used during voting at the Board of Directors Meeting.

Please implement a 2 year old long line class at the PHBA World Show. Two year old horses should be able to have non-riding performance classes, especially if they are in skeletal developmental phases.

The handbook states that 2 year old horses can compete up until May 31. Please change the rule to allow them to compete until December of their 2nd year. Please either add an additional 2 year old long line class or allow them to compete with yearlings.

Additionally, other breed organizations such as APHA and PTHA have 2 year old long line classes. It would alter my decision as well as others as to which World Show to choose to attend, as they are all in close proximity time wise.
