This rule change would increase registrations, membership, and transfers and would also increase entries at APA shows and the World Show. For those reasons, it is suggested that this rule change be implemented January 1, 2025.

Proposed Rule Change to 554:

PALOMINO BRED

554. A PB must be produced from the breeding of at least one PHBA registered parent or grandparent (not including the PB registry), and the other parent is required to be from the list of PHBA recognized breed registries. Its sire or grand sire and/or dam or grand dam are registered in PHBA. The horse shall meet all previously mentioned registration requirements. A. Hardship Clause: The owner of an eligible non-palomino horse, whose palomino parent/grandparent (must meet PHBA registration guidelines) is not registered with PHBA, may seek registration if his/her horse using one of the following options. 1) Living palomino parent/grandparent: The owner of the eligible non-palomino horse, may purchase one annual membership for the owner of the parent/grandparent horse and the registration of the parent/grandparent horses (must meet PHBA registration guidelines), if the parent/grandparent horse's owner is agreeable via letter documentation. Requirements: a) Copies of recognized breed association paper(s) stating palomino color and b) Pictures of parent/grandparent horse as stated in Rule 507. 2) Deceased palomino parent/grandparent: documentation of registration in a PHBA recognized breed, deceased and color must be provided stating such. Appropriate fees must accompany documentation for registering applicant.
