A rule or regulation is not subject to amendment by change, addition or repeal until it has been in force for at least two calendar years. Such limitation may be waived by the PHBA Executive Board upon finding extraordinary circumstances: A. Concerns the safety, health or well being of a horse and/or rider; B. Materially benefits PHBA's programs or it's financial stability; or C. Involves other compelling circumstances.

The PHBA President will assign proposed bylaw or rule changes to specific committees for their recommendations. Some committees may be asked to review a proposed rule change and report their recommendations to another committee that ultimately reports to the Board of Directors. Committee Chairs will need to coordinate that input. Committees are free to discuss other proposed rule changes but the assigned committee's recommendation is that which will be used during voting at the Board of Directors' meeting.
