A rule or regulation is not subject to amendment by change, addition or repeal until it has been in force for at least two calendar years. Such limitation may be waived by the PHBA Executive Board upon finding extraordinary circumstances: A. Concerns the safety, health or well being of a horse and/or rider; B. Materially benefits PHBA's programs or it's financial stability; or C. Involves other compelling circumstances.

The PHBA President will assign proposed bylaw or rule changes to specific committees for their recommendations. Some committees may be asked to review a proposed rule change and report their recommendations to another committee that ultimately reports to the Board of Directors. Committee Chairs will need to coordinate that input. Committees are free to discuss other proposed rule changes but the assigned committee's recommendation is that which will be used during voting at the Board of Directors' meeting.

Instructions for writing a proposed rule change:

- Define the problem and develop as many positive solutions as possible.
- Determine if any other rules would be affected if your proposal were to be adopted and specify the rule numbers.
- Submit proper wording for a proposed rule change by typing or neatly printing the exact wording being proposed. If you propose changes to existing language, ~~strike through~~ the words you propose to delete. Type in bold and italics the words you wish to add.
- Determine the financial impact (both income and expense) your proposal could have on PHBA.
- You must get signature of three (3) PHBA members who support this proposal.

2. PROPOSED EFFECTIVE DATE: _____ January 1, 2027 _____ Other _____

3. Is this proposal changing a rule that was implemented within the last two years? _____ YES XXX NO
(Refer to PHBA Rule 33, page 23 of 2025 Handbook)

4. If adding a new rule or changing an existing rule, write rule as it should appear in the Handbook: (use attachment if needed)

ADD: 3062. If an APA has submitted correct results to the PHBA Office with in the allotted 10 day timeframe, the PHBA Office then has 10 business days from the receipt of the correct results to get them processed and posted on the show results page on the PHBA website. If the results are not posted to the Show Results page on the website, then the PHBA office shall pay the APA a \$100 fine.

5. Justification for change and impact if not passed: (use attachment if needed)

When show results and not updated as timely as possible, it is costing the APA's entries at their shows. The various Year End awards are a total of points and that's hard to know if you need to go to a show or not when you can't count on the Website to be correct. For example in 2025 I showed at 7 shows before 10/25/25, and my points were not accurate on the website until 10/25 (even then they still didn't have an Oct show in there). This makes it very hard for members to accurately know where they stand and to have to track their own points.

6. How will this rule change affect PHBA financially if adopted:

This rule change could potentially cost PHBA some money if the rule is not followed, but I think that the rule will make APA's and members very happy as they will know their points are in the results in a timely fashion.

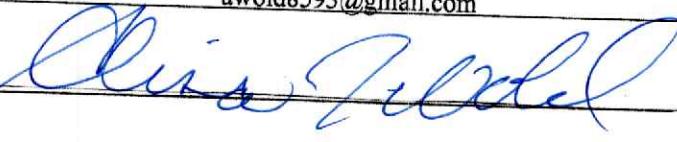

7. Estimated expense to PHBA if rule change is adopted:

The Cost would be zero if the rule was followed. It would likely make APA's have larger shows and in turn make money Money for PHBA.
